

Early Journal Content on JSTOR, Free to Anyone in the World

This article is one of nearly 500,000 scholarly works digitized and made freely available to everyone in the world by JSTOR.

Known as the Early Journal Content, this set of works include research articles, news, letters, and other writings published in more than 200 of the oldest leading academic journals. The works date from the mid-seventeenth to the early twentieth centuries.

We encourage people to read and share the Early Journal Content openly and to tell others that this resource exists. People may post this content online or redistribute in any way for non-commercial purposes.

Read more about Early Journal Content at <http://about.jstor.org/participate-jstor/individuals/early-journal-content>.

JSTOR is a digital library of academic journals, books, and primary source objects. JSTOR helps people discover, use, and build upon a wide range of content through a powerful research and teaching platform, and preserves this content for future generations. JSTOR is part of ITHAKA, a not-for-profit organization that also includes Ithaka S+R and Portico. For more information about JSTOR, please contact support@jstor.org.

the sleeping platform at his cornfield, 811; Indian Hut on the edge of the Jungle, 806; Indian village, A well in an, 814; Kabah, Detail of the walls of a ruin at, 819; Sayi, Ruins of the temple of, 818; Tropical Forest, 807; Yucatan Village, A House in a, 810; "Volon" or carriage suspended on straps at a sugar estate in Yucatan, 815

AFRICA

British East Africa, The Plateau of—and its Inhabitants: ¶ Makindu. Native House in the Making, 327; Mombasa. In the Native Village, 324; Nairobi, Chicken Peddlers and a Native Policeman at, 330; Railroad Laborers on Work Train, 329; Rift Valley. Fault Escarpments, 333; Swahilis at a Railroad Station, 326, Voi, Gneiss Monadnock near, 331

Libyan Desert, A Journey in the: ¶ Bawitte, Olive-oil mill at, 739; Walled gardens at Bawitte showing human bones from rifled graves, 741; Bir Dikker, Camels drinking at, 736; Dakhla rim, Ascending the, 729; Farafra, Well boring at, 738; Müt, Panorama from housetops, 728; Müt, Village of, 726; Nile Valley, west of Minia, Dividing line between the desert and fertile ground, 743; Qsar Baharia, Sand encroachment at, 742; Qsar Dakhi, Mosque minaret at, 724; Rashida from a housetop, 732

ASIA

Manchuria's Great Southern Port: ¶ Dairen, Export Beans on the Wharves of, 49

Philippine Islands, Forests of the: ¶ Cogon Grassland from which the Forest has been removed by "caingin making," 83; Narra Tree, Cutting out a single piece table top from a buttress of the, 87; Mindoro, A Caingin area in, 82; Mindoro, Interior of a mangrove swamp, 88; Mindoro, Typical lauan forest in, 85

GENERAL

Gravity, Force of — and Methods of Measuring It: ¶ Gravity Apparatus of the Coast and Geodetic Survey used at the present time, 186; Inter-

ferometer apparatus arranged for observing the movement of the case due to the swinging pendulum, 188; Pen-

dulums, Two old forms of meter — compared with the quarter-meter pendulum, 185

MAPS, DIAGRAMS AND PROFILES

AMERICA

Alaska, Map of. Compiled chiefly from Maps of U. S. Geol. Survey, Coast Line from Coast and Geod. Survey Charts, facing p. 560
 Arequipa, The "Solar Constant" and Variations of Atmospheric Temperature at — and Some other Stations, Diagrams, 601, 603, 604, 605, 606
 British Columbia, Economic Prospects of New: ¶ Sketch Map showing the route of the "Mountain Section" of the Grand Trunk Pacific Railway, 169
 California, Diagrams showing Rate of Growth of the "Big Trees" of — at Different Periods, 446
 Duluth, A Geographic Study of: ¶ Maps: Concentration of railroads about Duluth, 415; Duluth and Glacial Soils in the U. S., 405; Duluth Plate, 403; Duluth and Vicinity, 404; Harbor of Duluth, 494; Hungary superposed on Minnesota and oriented so as to bring the plains area coincident with the plains of Minnesota, 504; Outline Map to show location of Duluth with reference to Great Lakes and Vicinity, 402; Principal Coal and Iron Ore Fields of the U. S., 411; Principal wheat fields in Central and Eastern U. S., 410; Railway network of the U. S., 413; Territory which is geographically tributary to Duluth, 416; ¶ Diagrams and profiles: Average annual Rainfall and temperature for Duluth, 407; Diagram showing low temperature in the morning, rapid rise during the day and subsequent fall at night, 409; Diagram showing prevailing wind, 409; Duluth and Superior, Vessel freight received and shipped, 495; Increase of Population, 1870-1910, 501; Port Cities and Minnesota, Comparison of per cent. of increase in population for, 502; Profile showing successive beach-terraces in western part of, 406; Tonnage through Sault Ste. Marie Canals, 498; Variations in absolute maximum and minimum temperatures for Duluth for 1901-10, 408; Vermilion and Mesabi ranges, production of iron ore, 412

Illinois Petroleum Fields: ¶ Map showing Illinois Oil and Gas Fields, 419
 Katmai Volcano, Report of the Eruption of: ¶ Katmai and neighboring parts of Alaska, Map, 642
 Mississippi R. Floods of, 1912: ¶ Map of Lower —, showing locations of Levee Districts and important Points, 655; Departures from Normal Precipitations, for January, 648, Feb., 649, March, 650
 River, Life along a Graded: ¶ Missouri R., Map of Part of, 675; Profile of the — from Three Forks, — Mont. to its Mouth, 676; Missouri River near Brunswick, Map, 680; Density of Population in Missouri, 1850, 678; Location of Leading Schools in, 678; Map showing Area described in this paper, 677; Map showing the neighborhood of Franklin, 679; Population of Missouri in 1830, 677
 Selkirks, Notes on the Exploration and the Geography of: ¶ Sketch Map of Northern Selkirks, B. C., showing the Principal Rivers and Passes, Positions of Peaks above 10,000 feet and a Portion of Water-Parting of the Range, facing p. 256
 United States, Corn in the: Maps, 750, 751, 752, 753, 754, 755, 756, 757, Diagrams, 746, 760
 United States, Development and State of Progress of the — Portion of the International Map of the World: ¶ Map showing the Arrangement and State of Progress of the Sheets of the International Map of the World for the U. S., facing p. 842
 Urubamba, The Cañon of the: ¶ Rough Sketch Contour Map of the Urubamba Valley, facing p. 896
 Yucatan, The Peninsula of: Map of Yucatan, 802

AFRICA

British East Africa, The Plateau of — and Its Inhabitants: ¶ British East Africa, Map, 322
 British East Africa Protectorate: ¶ Map, 4
 Libyan Desert, A Journey in the: ¶ Copy of Map of 1561 in the British

Museum showing the Oases of the Libyan Desert, 724; Outline Map of Egypt showing position of the "inner oases" of the Libyan Desert, 722

ASIA

Philippines, Forests of the: ¶ Forest Map of the Philippine Islands, facing p. 81

Siachen Glacier, Survey of the: ¶ Map: Siachen Glacier and its Surroundings, 899

OCEANIA

Samoan Islands, American, New Map of: ¶ Map of Manua Group of the

Samoan Islands, from surveys by K. Wegener, facing p. 507; Tutuila. From Surveys by K. Wegener, facing page 506

POLAR REGIONS

Antarctic Names: ¶ Chart of Antarctica drawn Feb., 1909, Corrections May, 1909, May, 1912, facing p. 580; Chart of Antarctica showing suggested Hemispherical Nomenclature, 568; Chart of North Eastern West Antarctica showing Changes in Nomenclature facing p. 570

Crocker Land Expedition: ¶ Map showing proposed Route of the Crocker Land Expedition, 192
